

Jonathan Bush

Program Associate

Mr. Jonathan Bush joined the Institute for Defense and Business (IDB) in June 2019 as a Program Associate. He is currently working on the LOGTECH: Advanced, LOGTECH: Executive, Logistics for the 21st Century, and the Life Cycle Executive Leadership Program. In this role he assists with the planning, design, and delivery of advanced education programs for the military and private sector in Chapel Hill, North Carolina.

Mr. Bush graduated cum laude with a Bachelor of Arts with a double major in History and Political Science from the University of Florida in December 2018.

Mr. Bush is currently earning his Master of Science in Information Systems and Operations Management from the University of Florida's Warrington College of Business.
