

**Christopher Wedding,
Ph.D.**

*Founder, Entrepreneurs
for Impact; Founder and
Managing Director,
IronOak Energy Capital*

Dr. Chris Wedding has 20+ years of experience in private equity, project finance, investment banking, startup finance, entrepreneurship, renewable energy, cleantech, executive education, and academia. He is the Founder of [Entrepreneurs for Impact](#) (executive mastermind peer group coaching for greentech, energy, and environmental entrepreneurs); Managing Director of [IronOak Energy Capital](#) (investment banking focused on renewable energy and cleantech); professor at Duke University and UNC Chapel Hill (UNC); and former Director and Senior Adviser at Cherokee Investment Partners, a \$2B environmental private equity firm. He also writes a [short newsletter on cleantech finance trends](#).

Dr. Wedding received a BS summa cum laude in Environmental Science from Western Kentucky University (WKU), where he was a national Goldwater Scholar in Math and Science and WKU Honors Scholar of the Year. At UNC, he earned an MS and PhD focused on business and strategy in real estate and clean energy. [Twitter](#) | [LinkedIn](#)
