

Cameshia Williams

Program Manager

Cameshia Williams joined the Institute for Defense and Business in February of 2022. Cameshia started her journey with the IDB as a Program Associate and became a Program Manager in January of 2023. She assists with the planning, design, and delivery of executive education programs for the military and private sector. Specifically Cameshia manages the execution of the Logistics for the 21st Century (Log21) and Industry Based Broadening: Logistics (IB2 Log) programs. In addition to program management, Cameshia assists the Marketing and Communications Director with creative ways to engage audiences on the IDB's social media platforms.

Cameshia graduated with a Bachelor of Art's degree in Political Science with double minors in Sociology and Women's & Gender Studies from Coastal Carolina University in 2021 and is currently pursuing a Master's of Public Administration degree at Delaware State University.
