

Caitlin Lederer

Program Associate

Ms. Caitlin Lederer joined the Institute for Defense and Business in August 2022. As a Program Associate, she assists with development, design, and delivery of executive education programs for the military and private sector.

Caitlin is currently supporting the coordination and execution of the Logistics for the 21st Century (LOG21) and the Advanced Program in Logistics & Technology (LOGTECH Advanced) programs.

Ms. Lederer graduated Summa Cum Laude with a Bachelor of Arts in Political Science from Virginia Tech in 2021.
